AWARDS AND CERTIFICATES

Our school was awarded with certificate of participation and various games we participated in.

Our sub-county Msambweni took the first position as it emerged the leading zone in most games. We were awarded with a Trophy which our pupils received it with many celebrations.

As we were heading home that evening, the joy and pride of winning could be seen and felt on our player's faces. They went home happy and excited.

I sincerely thank the school management for the support they gave us. Thank you for providing transport, lunch and refreshments and playing items.

God bless you
